## BEACH IS THE WORD!!

\*\*\*\*\*SOLE MANDATE\*\*\*\*

This is a house built in the 80's with great features for that time. Good structure for a renovator to make your dreams reality. Double story house with a lot of potential by adding plenty of personality with pops of colour.

Views that will take your breath away, overlooking Seal Island and Mossel Bay right on the Blue flag beaches of Hartenbos where the waves are rippling gently.

A stairway welcomes you to the front door and invites you to enter the comfortable lounge area. From the lounge you have an enclosed veranda with sea views. You will find 3 bedrooms on the top floor. Main bedroom has an en-suite bathroom with shower, toilet and basin. There is an enclosed braai area with build in braai and and gorgeous views of the beach! A kitchenette next to the braai area.
