Unicorn Property: Flat North-facing Stand in Secure Estate.

Exclusive Sole Mandate.

Grab this opportunity with both hands and build your dream home in Plettenberg Bay. This is as close to a flat stand as you can get, with a simple rectangular shape that lends itself to an uncomplicated design and layout for the property, which equals lower building costs.

Right at the front of the estate, on the border with Baron's View Private Estate, the stand faces due north and enjoys majestic blue skies and the Tsitsikamma mountain range from east to west. With the south-west wind at the back of the property, your living areas will be sun-drenched, warm, and idyllically out of any prevailing winds. The Hill Private Estate is 80% completely built and is an established lifestyle estate situated a few minutes' drive from Market Square, Keurbooms Lagoon, and Lookout Beach.
