Dreamy Sea and Robberg View Stand

If you're thinking of building in Plett, now's the time to stop thinking and start acting. Good sea view stands are disappearing fast, and even more so in this exclusive enclave of Whale Rock. Set on a moderately sloped piece of ground, you will achieve good views of Robberg, Whale Rock Ridge and the sea - the 2 neighbouring properties affecting the view are already built and the view established.

With experience with building, from surveyors, engineers, builders, architects and contractors, we can help point you in the right direction and assist with making your project less daunting than it needs to be.
